***TUESDAY Nov 28th 11AM is the big day!***

Tuesday is Giving Tuesday, and in case you missed it— we're having a massive fundraiser with a few of our favorite people and organizations!

Thorium Energy Alliance - Gen-A - Mothers for Nuclear - More  
More More

You'll hear reports from several leading nuclear advocacy organizations and influencers,  
see a sneak peaks of upcoming docuseries and social media campaigns,  
and witness and potentially participate in some fun trivia and improvisation games themed around nuclear energy.

There is (so far) \$10,000 in matching funds for any contributions raised, so it's a great opportunity to double your donation, as well.

We have a ton of presentations, games, and donor exclusive perks planned, so join us from 11am-5pm Central Time, on our [Facebook](#) or [Youtube](#) channels!  
See you there!

Please ask great history of nuclear writer **Jeremy Hampshire – ANS Nuclear News.**

*To help us save the artifacts from MSRE - and tell its great story.*

He has written some great articles about the value of the historic research data. Help us reach out to Jeremy [JHampshire@ans.org](mailto:JHampshire@ans.org) and see if he will also promote the preservation of the artifacts in Nuclear News. Rick Michal is the editor-in-chief of Nuclear News; here is his e-mail: [rmichal@ans.org](mailto:rmichal@ans.org). And here are two more contacts we could reach out to:
