

Thorium Will Power The World

There is a future of Prosperity, & Abundance and The world can get it with Thorium Power and critical materials - this is the 1,000,000X solution the world needs.

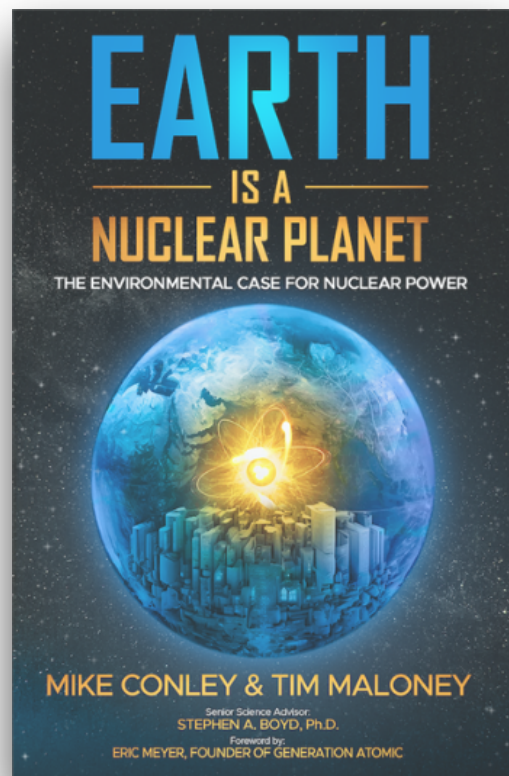

NEW - Earth Is A Nuclear Planet Book - They Got it Done!

We are so proud of the work that Mike Conley & Tim Moloney did to get this new Book about how to speak to the promise of Nuclear and stop the fear mongering. Dr. Boyd put in lots of effort to help with all the technical inputs and get the facts to work together.

We will present this Book at TEAC12 - This is your chance to hear from the Author(s)

You do not want to miss this historic event at TEAC 12

Earth is a Nuclear Planet will be Available on Amazon

Below is the latest TEA Video - March Forth for the Future!

https://www.youtube.com/watch?v=w_cOldtQOIE&t=50s

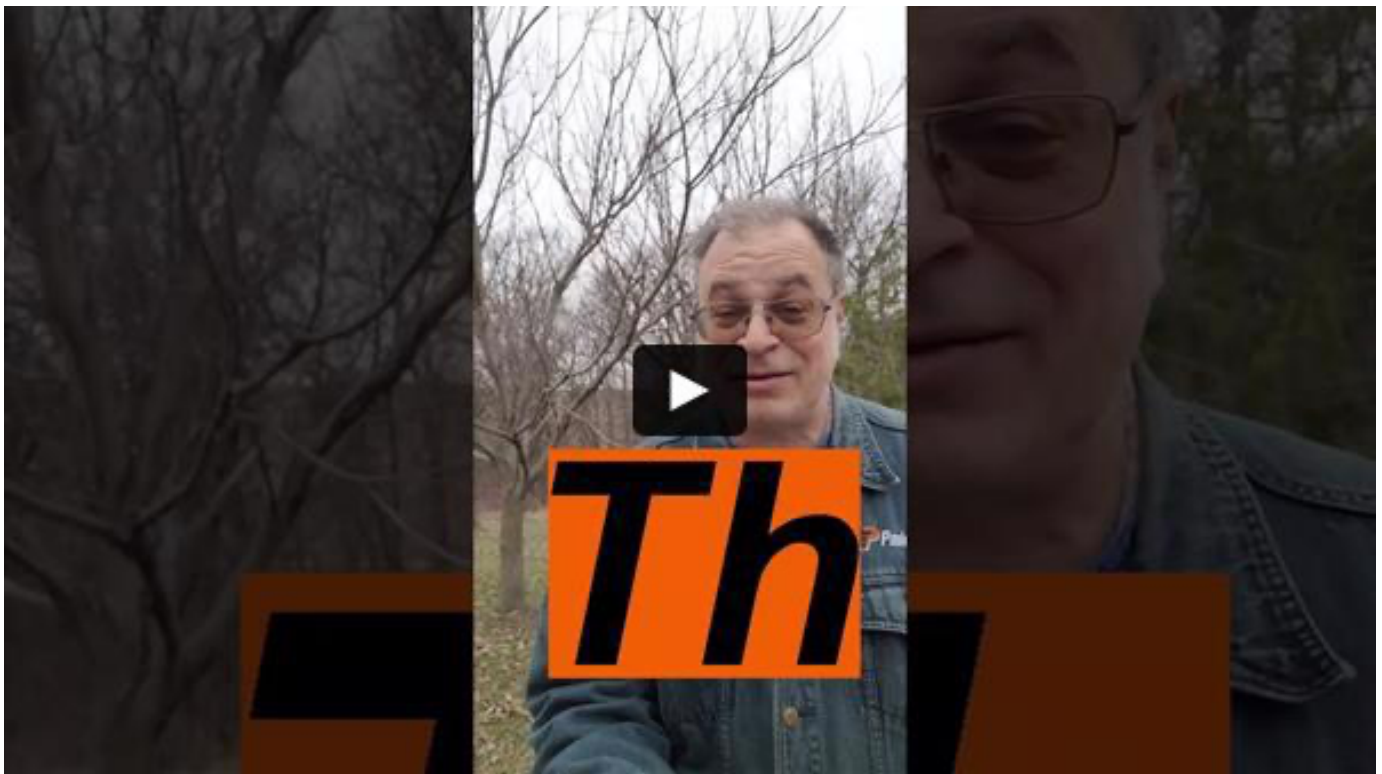

John was in Iowa, and the unseasonable warm weather made him think - this is a chance to inspire everyone to support the deployment of Thorium Nuclear and use thorium as a critical material - and what day was it ? MARCH 4th

March Forth , to make a better world of prosperity and energy abundance!

March Forth! March Forth! March Forth! March Forth! March Forth! March Forth!
